R.O.C.4476-29-A6. South Kanara Collector's Office,

Mangalore, Dated 14th June, 1929.

K.4880

From

G. W. Wells, Esquire, M.A., I.C.S.,

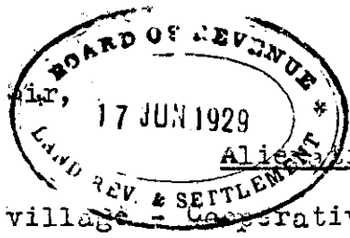
Collector of South Kanara.

To

The Secretary to the Board,

Land Revenue & Settlement,

Madras.



Sir,

Alienation - Land & Revenue - Puttur Taluk - Vittal village - Co-operative Credit Society - Office building -breach of condition of grant - resumption recommended.

The Government sanctioned the alienation of old Survey No.414/2 measuring 16 cents of Vittal village in Puttur Taluk in favour of the Co-operative Credit Society, Vittal in G.O.No.Mis. 2562, Revenue Department dated 10-11-19 communicated in B.P.L.R.Misc.No. 1436 dated 14-11-19 for the construction of an office building for the Society. The Special Settlement Officer informs me that as there is no building constructed by the Society, the plot has been registered as assessed waste in the resettlement accounts. The Society has not constructed the office building, though the time allowed has long expired. It has at its meeting held on 26-5-29 ~~based~~ passed a resolution relinquishing the plot in view of the fact that it will not be required by the Society as it is not financially in a position to construct a building. There is no question of payment of compensation in this case, as the plot is reported to contain no improvements.

I therefore recommend that Government may be addressed with a view to cancel the alienation and order the resumption of the land.

Your obedient servant,

H Sanjiva Rao

for Collector.
